

25 DE MAYO

COUNTRY: Argentina | REGION: Mendoza

25 DE MAYO

May 25 is one of the most important dates for Argentina, because it commemorates the first cry of independence of our people towards the European conquerors. Currently, May 25 is not only our national day, but the name of countless towns and endless streets and avenues throughout the whole country. May 25 represents glory and unity for Argentinians, and those are precisely the values that our brand embodies.

LINE CLASSIC

Young and simple wines to be enjoyed every day.

Variety: Red

LINE ESTATE

Estate bottled and handpicked grapes from our vineyards located in Mendoza. Young and unoaked wine. Fresh entry, thanks to its natural acidity, fruity sensation and round tannins. It's a well balanced wine with a clear varietal character.
